

Matrix Energetics™ is a “Consciousness Technology” by which one may tap into the unlimited Field of potential and “collapse the wave” into a different, better, beneficial circumstance. Unlike allopathic medicine, it is not dependent on surgery, manipulation or the introduction of chemicals, bacteria or other external physical substances to produce a recognizable effect. Via Quantum Entanglement, M.E. has also been documented effective when applied remotely.

Some (of several) Methods of Accessing Matrix Energetics™ for Transformation include:
Two Point Time Travel Parallel Realities Archetypes
